

Beta Tester - Kettering

Reference number: 2020-34

Salary & Benefits: Competitive salary, 25 days holiday plus public holidays with the option to buy an additional 3 days, pension scheme, tax free childcare, cycle to work scheme, free parking

Hours: 37.50 hours

Location: Kettering

Contract type: Permanent

Job purpose: Due to continued growth, we are seeking an experienced Beta tester to join our forward thinking and growing organisation which has an enviable portfolio of customers.

To be successful in the role, you will be experienced and confident in individual testing of all software produced by the Logistex Systems Team as part of a project or LWS product delivery to ensure the quality of software delivered to our customers.

You will also:

- Use the 'Jira' System to report issues.
- Involvement in test design reviews to provide a test perspective.
- Use experience gained on previous projects and in previous companies to challenge the software design and system operation.

Qualification: Bachelor's degree or equivalent in relevant technical subject is desirable.

No agencies please.

Closing date: 29th January 2021

To apply: Please submit your CV and covering letter to careers@logistex.com

Logistex Ltd is an equal opportunities employer and will consider all applications on the basis of their relevant merits and abilities.
